

Kroger Neighbor to Neighbor Program

Each time you shop at Kroger using your Kroger Plus Card--after you link it to DSPTC-- Kroger will contribute a portion of your eligible purchases to the Kroger Neighbor to Neighbor fund. At the end of the program year, Kroger will divide \$1,000,000 among the charitable organizations registered for the program based on the "contributions" by participants. The more "contributions" made to DSPTC, the greater percentage of that \$1,000,000 DSPTC receives. If you don't yet have a Kroger Plus Card, you can apply for one by filling out a form at the customer service desk; your account can be activated for that very shopping trip!

To link your Kroger Plus Card to DSPTC, simply present DSPTC's program letter to the cashier who scans the bar code on it.
